

# Ricky Van Shelton, Just As I Am

I was lost and aimlessly searching  
Lord knows I was one lonely man  
Then you came along  
Like that old gospel song  
You took me just as I am

Just as I was about to lose hope  
Just as I'd come to the end of my rope  
You turned me around with one touch of your hand  
And your love saved me just as I am

It's amazing you saw the light shining  
Though the darkness that life had left me in  
And I thank heaven above  
You took me just as I was  
And you loved me just as I am

Just as I was about to lose hope  
Just as I'd come to the end of my rope  
You turned me around with one touch of your hand  
And your love saved me just as I am  
You turned me around with one touch of your hand  
And your love saved me just as I am
