

Ricky Van Shelton, Love Without You

You tell me life will go on that I'll be all right once you're gone
But my heart knows that just ain't true I can't imagine love without you
Said you'll always be there for me now I don't know what to believe
And I don't know what I'm supposed to do I can't imagine love without you
My heart will keep beating my arms will keep reaching for you
Even when you're gone
I just don't how to let you go after loving you so long
Never thought that I'd see this day my whole world is walking away
Now who will I turn to I can't imagine love without you
(steel)
I just don't how to let you go after loving you so long
Never thought that I'd see this day my whole world is walking away
For me there'll never be someone new I can't imagine love without you
Oh for me there'll never be someone new I can't imagine love without you
