

Riddlin' Kids, Anyday Now

If you would just be nice
And look into my eyes
I think everything would click with us
And everything would be alright
I don't want to be alone again
I need to see you
I need to see you

GO!

Cause I just want to be
With you but there's no way now
And now I have to leave
I'll be back anyday now

I wish you could see
How much you mean to me
I didn't mean to scare you off again
I didn't mean to make you scream
You might think you're alone tonight
But I can see you
I can see you

GO!

Cause I just want to be
With you but there's no way now
And now I have to leave
I'll be back anyday now

Cause I just want to be
With you but there's no way now
Cause now I have to leave
I'll be back anyday now
And I don't want to leave
I'll be back anyday now
I'll be back anyday
I'll be back anyday now
