

# Riddlin' Kids, Get to It

Come on, Come on, Come on,  
Let's get to it

With you every night  
I don't know a way to tell you  
We could do this right  
All we have to do is try  
You and I could use this time  
You and I could just get out  
I want to, don't you want to

There's a place that I know  
And I wonder if you're ready to go  
And you don't have to wait  
If you're ready now to go there with me

Come on, Come on, Come on,  
Let's get to it

There's no reason why  
We should write the same old story  
We've been here before  
This time we can do it right  
You and I could use this time  
You and I could just go now  
I want to, don't you want to

There's a place that I know  
And I wonder if you're ready to go  
And you don't have to wait  
If you're ready to go there with me  
No one will know, so just go with the flow now  
Cuz you don't have to wait  
If you're ready now to go there with me

Come on, Come on, Come on,  
Let's get to it
