

Riddlin' Kids, It's The End Of The World As We K

That's great! I starts with an earthquake
Birds and snakes, an aeroplane
And Lenny Bruce is not afraid
Eye of a hurricane, Listen to yourself churn
World serves its own needs
Time to shave your own knees
Feed it off an aux, speak, grunt, no, strength
The Ladder start to clatter witha fear
Fight down, height
Wire in a fire representing seven games
And a government for hire at a combat site
Left of west and coming in a hurry with the furies
Breathing down you neck
Team by team reporters, baffled, trumped, tethered, cropped
Look at that low playing
Fine, Then
Uh-oh. Overflow population, common food
But it'll do to save yourself, serve yourself
World serves its own needs
Listen to your heart bleed
Dummy with a rapture and the revered and the right, right
You vitriolic, patriotic, slam, fight, bright light
Feeling pretty psyched

It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it and I feel fine

Six o'clock-- T. V. hour
Don't get caught in foreign towers
Slash and burn, return
Listen to yourself churn
Lock it in, uniforming, book burning, blood letting
Every motive escalate
Automotive incinerate
Light a candle, light a motive
Step down, step down
Watch your heel crush, crushed, uh-oh
This means no fear cavalier, renegade steer clear!
A tournament, a tournament, a tournament of lies!
Offer me solutions, offer me alternatives, and I decline!

It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it and I feel fine

The other night I dreamt of knives
Continental drift divide
Mountains sit in a line
LEONARD BERNSTEIN
Leonid Brezhnev, Lenny Bruce and Lester Bangs
Birthday party, cheesecake, jelly bean, BOOM!
You symbiotice, patriotic, slam, bug, net, right?
Right

It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it and I feel
Fine... fine...
