

Riddlin' Kids, Talk of the Town

Theres this guy in this place and he looks me in the face, and he tells me about this girl who took h
And theres this girl and she says that shes never been with him, then she tells me things that i don
Theres a warning sign going of in my mind, you wont get me instead so forget about it.

I know theres better things to talk about, i believe theres that your looking for some room to romance
