

Rie Fu, Come To My Door

umaranai kuuhaku wo shiro de nuritsubushite miru
kotae no nai tori wo itsu made mo oikakete iru

shizuka na sora sae mo hizashi wo katamuketeru sono hi

Come to my door
Come to my door, and you open up the door
Come through my door, there you go

sawaranai toutosa mo sugu ni te no naka de tokeyuku
osaerarenai kimochi ima tokihanatte miru kono toki

Come to my door
tsukamou tobira wo akete
isshun no CHANSU wo!

I heard you sing, and you turn around to me
Then you step back, and I was right here
Don't go away you'll be talkin' 'bout me
Because of the night you told me a lie...

shizuka na inori mo sugu sora ni natte yuku
kono omoi makasete

Come to my door
Come to my door, and you open up the door
Come through my door
Come through my door, there you go
