

Rie Fu, Wait for Me

kimi no tame ni wa e o egakouakarui basho o terashidasou
kumo ni kakurete meguru you nisugu ki ga kawaru
dou natteru darou, juu nengo ni wa
dou natteru darou, hyaku nengo ni wa
yasashisa no kabe ni mukatte naitaano umi wa
so im calling, Wait for me my baby care for me my baby
kazu o kazoete wa eien o negau yo

aitai to omou hito-tachi wa
guuzen deaeteitsu wakareru
hakanai sora ni mukatte naitaano kisetu
so i'm calling, Wait for me my baby care for me my baby
ashita no dareka niai o tonaeteru yo

even though the colors might have changed,
Oh i still feel the same
oh some things stay the same
oh i still feel the same

so i'm calling...care for me my baby
choose a color, I will paint it,
make a wish and I will make it
Wait for me my baby care for me my baby
mada minu anata ni ai o tonaeteru yo
