

# Right Said Fred, I Love My Car

I'm driving in my car  
I'm in my car alone  
I like to drive it fast  
I like to drive it slow  
Oh yeah

I never take a train  
I never ride a bike  
Cos driving in my car  
Is what i really like  
Oh yeah

My car makes me happy  
My car makes me smile  
Yeah yeah yeah  
My car gives me pleasure  
My car gives me style  
Yeah yeah yeah  
I love my car

I never party hard  
Or wear designer clothes  
Cos driving in my car  
Is where my money goes  
Oh yeah  
Oh yeah

My car makes me happy  
My car makes me smile  
Yeah yeah yeah  
My car gives me pleasure  
My car gives me style  
Yeah yeah yeah  
I love my car

It's got a telephone  
It's got a stereo  
It's got a dvd  
It's my home away from home

My car makes me happy  
My car makes me smile  
Yeah yeah yeah  
My car gives me pleasure  
My car gives me style  
Yeah yeah yeah  
I love my car

I don't wanna turn this engine off  
I don't wanna turn this engine off

My car makes me happy  
My car makes me smile  
Yeah yeah yeah  
My car gives me pleasure  
My car gives me style  
Yeah yeah yeah  
I love my car

I love my car
