

# Righteous Pigs, Turmoil

Crisis among the people  
Directed towards removal

Public is infuriated  
Their rights have now been violated

Uproar  
Rage  
And fury

Survive  
A violent  
Frenzy

Thousands  
Riot  
In turmoil  
Tired  
Of being  
Fuckin' loyal

Our army is overpowering  
Bombardment is showering

Collision conquered triumph  
Your laws are null and void
