

Rihanna, American Oxygen

Breath out
Breath in
American Oxygen

Breathe out, breathe in
American oxygen
Every breath I breathe
Chasin' this American Dream
We sweat for a nickel and a dime
Turn it into an empire
Breathe in, this feeling
American, American oxygen
American oxygen
Breathe in, this feeling
American oxygen

Breath out
Breath in
American Oxygen

Breath in this feeling
American, American Oxygen
This is the new America

You say, you see, this is the American Dream
Young boy, hustlin'
Tryna get the wheels in motion
But he can be anything at all
America, America
I say, but can't see
Just close your eyes and breathe

Breath out
Breath in
American Oxygen
