

Rihanna, Here i go again

Na na na na na

Na na na na na

Na na na na na na na na na na na na na na na na

Na na na na na

Na na na na na

Na na na na na oh na na na na na na na na na na

[Verse 1]

It's been a minute since I saw you boy

Like some medicine to hear your voice

And I guess that I forgot just how you make me feel when your around

See you haven't lost your sexy smile

And you still could melt me with your smile

Can't deny that I still got these feelin' deep inside

[hook]

It's funny how things could change

But still remain the same

Isn't life just a crazy game

Baby here I go again

[chorus]

I look into your eyes and then

My heart remembers when

And I realize I neva gotten over you

Everytime I hear your name

It's like the sun shined through the rain

And I realize this happenin'

Baby here I go again

Here I Go Again

[Verse 2]

Still remember how you make me weak

How so hard to find the words to speak

I just cant escape the memories

I tried but I just cant break free

But I closed the door on what we had

But these feelings just keep comin back

Didn't think that you could make me loose control like that

[Hook]

[Chorus]
