

Rihanna & Lady Gaga, Silly Boy

your callin me more than ever now that were done
two keys back to my place, we were havin no fun
but your not ok, telling me you miss my face
I remember when you would say you hate my waist
I said im not coming back, its it
you fooled me once but you cant have that ego turning
just to bad for you, that when you had me
didnt know what to do, shes over you
cause you had a good girl, good girl, girl
thats a keeper, k-k-k-k-keeper
you had a good girl, good girl but
didnt know how to treat her, t-t-t-t-treat her (treat her)
so silly boy get out my face (my face)
why do you like the way regrets taste?
so silly boy get out my hair my hair
(get outta here)
no I dont want you no more (get outta here)
silly boy (silly boy)
why you acting silly boy?
silly boy boy (boyboy)

you comin with those corny lines
cant live without me
Ill get some flowers for the day that you are buried
no, people make mistakes
but I just think your ass is fake
only thing I want from you, is for you to (stay away)
I said im not coming back, its it
you fooled me once but you cant have that ego turning
just to bad for you, that when you had me
didnt know what to do, shes over you
cause you had a good girl, good girl, girl
