

Rika, All I Need

Everybody says they've fallen in love
But I don't believe that anyone
Will ever compare to us
Cause you're giving me everything that you got
And I hope that I can give you just as much

I wish every seconds a second I'm kissing your body
I love you unapologetically, I'm not even sorry.

All I Need,
Is right in front of me.
You are the air that I breathe
Yeah you're all I need
Yeah you're all I need

I can't even swim but I drown in your eyes
It only takes a glance, and you bring me back to life
Even when you leave, it's never goodbye.
Your home is my heart and you never leave my mind

I wish every seconds a second you're kissing my body
You tell me that you love me without even talking

All I Need,
Is right in front of me.
You are the air that I breathe
Yeah you're all I need
All I need,
Is right here next to me.
You are the air that I breathe
Yeah you're all i need
Yeah you're all need

Ooooo
Oooo
Yeah you're all i need
Yeah you're all need
