

# Rilo Kiley, Pictures Of Success

build your own television receiver  
staying home can't be that bad for me  
cause i'm not scared  
but i'd like some extra spare time  
easily earn me big money  
i'm a modern girl but i fold in half so easily  
when i put myself in the picture of success  
i could learn world trade  
or try to map the ocean  
when you're dead  
in hospitals and freeways  
when you're dead  
in resting homes and clinics  
when you're dead  
it must be nice to finish  
when you're dead  
i've had it with you  
and mexico can fucking wait  
and all of those french films about trains  
cause i'm not scared  
but i'd like some extra spare time  
i'm not scared  
but the bills keep changing colors  
when you're dead  
in hospitals and freeways  
when you're dead  
in dress shirts and neckties  
when you're dead  
in apartments and on beaches  
when you're dead  
they say california is a recipe for a black hole  
and i say i've got my best shoes on  
i'm ready to go (ready to go)  
ready to go  
ready to go  
i'm ready to go  
ready to go  
ready to go  
ready to go  
ready to go  
i'm ready to go  
ready to go  
ready to go  
ready to go  
i'm ready to go  
ready to go  
ready to go  
ready to go  
i'm ready to go  
ready to go  
ready to go  
ready to go  
i'm ready to go  
these are times that can't be weathered and  
we have never been back there since then  
these are times that can't be weathered and  
we have never been back there since then  
these are times that can't be weathered and  
we have never been back there since then  
these are times that can't be weathered and  
we have never been back there since then
