

Rilo Kiley, The Frug

And I can do the frug
I can do the Robocop
I can do the Freddie
I cannot do the Smurf
And I can hate your girl
I can tell you that she's real pretty
I can take my clothes off
I cannot fall in love
And I can do the frug
I can do the Robocop
I can do the Freddie
I cannot do the Smurf
And I can watch TV
I can shuffle up to Buffalo
I can do a backbend
I will not call you back
And I can start a book
I can make some mac and cheese
I can sleep twelve hours
You'll never see my eyes
Chorus
And I can hate your girl
I can tell you that she's real pretty
I can take my clothes off
I cannot fall in love
You'll never see my eyes
I will not call you back
I cannot do the smurf
I cannot fall in love
I'll never fall in love
I cannot fall in love...
Chorus
