

Ringo Starr, A Dose Of Rock N Roll

Y'r feelin' down
Y'r feelin' blue
Y' do know that y' care but y'dunno what to do
If your mamma don't feel good
Or your daddy don't feel good
Take a dose of rock 'n' roll
And wash it down with cool clear soul
Y' better get y'r ripple soles out
Ease out all your mean controls
Take a dose of rock 'n' roll
And wash it down with cool clear soul
Turn on your radio
Start dancin' to the moon
The old heart radio is gonna
Get y', get y', get y', in the mood
