

Riot 99, Rise Above

My name is John Doe,
I live in a downtown condo,
got a girl with plastic tits,
and 99 channels of shit,
and when I get bored,
I just take some more,
'cause nothing is for free in this 21st century

that's right! I am civilized
that's right! My mind is paralyzed
that's right! We are homogenized...
I choose to rise, rise above
I choose to rise, rise above
too far gone to carry on...
I choose to rise, rise above!
