

# Rip Rig & Panic, Sunken Love

Whirlpools of wonder  
Try to wash away a memory  
Unfathomable leaks of thought  
Lost in the deep blue me  
Below the calm surface  
Pain flows to and fro

Sunken love  
Chasing drowned sorrow  
Harbor a horror  
'Til tomorrow

Plunged into dark dark depths  
Anchor where secrets are kept  
Dark feelings, mystery voyages

Try to avoid those forgotten ages

Sunken love  
Chasing drowned sorrow  
Harbor a horror  
'Til tomorrow

Don't worry, don't fear  
Drowned loves will reappear  
Reserve a scene within that vessel  
Destiny

So don't mourn  
'Cause everything is reborn.
