professor bis kill em' kill em' (kill, kill) The beast from the east,  
a fist full of bullets a chest full of Teflon,  
professor bis kill em' kill em' (kill, kill) The beast from the east,  
a fist full of bullets a chest full of Teflon,

canibus chew m.c's like im eatin a meal...meal,  
wilder than the wilderness,  
wilderbeast Williams is,  
the greatest racist,  
how can it be canibus?  
no m.c can rhyme like this,  
cataclysmic,  
assigned to spit,  
battle me bitch,  
i gotta spit,  
its a gift..gift,  
tellin muthafuckaz tell em' this,  
buried in a mass grave,  
covered in bones,  
inside the devils chamber,  
i blasted through the tombstone,  
they dont like when i bus,  
ominous spirit from the Sirius star system.

brainwaves reveal,  
i grew up a fuckin screwup, (big)  
murder murder murder,  
kill kill kill drills,  
brainwaves reveal,  
i grew up a fuckin screwup, (big)  
murder murder murder,  
kill kill kill drills,

i do it for the cobras...cobras,  
with black eyes,  
grab the mic...mic,  
make ya run for ya life...for ya life,  
im a scruffy old man,  
with blood cold hands....cold hands.....cold hands,  
rappers are captured and punished,  
they cant battle me,  
when ever i spit it,  
i am still the master rip the jacker,  
you still alive?....still alive....still alive,  
the thirst to rhyme hurts like child birth and sounds like Chinese fireworkz,
