

Rita Coolidge, Higher And Higher

Your love is liftin' me higher
Than I've ever been lifted before

Your love is liftin' me higher
Than I've ever been lifted before
So Keep it up, quench my desire
And I'll be at your side forever more
Now once, I was downhearted
Disappointment was my closest friend
But you came, he soon departed
And he never showed his face again

[Instrumental Interlude]

Ooooooh, I'm so glad I finally found you
Your that one in a million man
When you wrap your lovin' arms around me
I can stand up and face the world again

Your love is liftin' me higher
Than I've ever been lifted before
So keep it up, quench my desire
And I'll be at your side forever more [3x]
