I wanna get high, so high
I wanna get high, so high
One draw, one draw
One draw, one draw
Hey rastaman, hey what you say
Give mi some of yu sense
Hey iyah man, hey whatta say
Give mi some of yu sense
So long I have been
Searching for a taste
Looking all over the place
Not a thing could I find
To satisfy my mind
So I came to search for the I
To see what the I could do
And just like I said
You send it straight to my head
I wanna feel high, so high
Yes I'm high, so high
One draw, one draw
One draw, one draw
Hey rastaman, hey what you say
Give me some of your sense
Give me some of your sense
Give mi some riddim mek mi dance
A long long time mi no feel so nice
Now I'm really feeling good
And I am in a dancing mood
Won't you come and rock with me
A feeling so irie
And just like you said
it's gone straight to my head
Now I'm feeling high
Yes I'm high, high, high, so high
One draw, one draw
One draw, one draw.
