

Rita Springer, I Exault You

I exault you
With my heart I will worship you
I exault you
For you give me life
I exault you
With my mind I will worship you
I exault you
For you give me life
You give me life
You give me breath
You give me a heart to love you with
You give me life
You give me breath
You give me a heart to love you with
And all I can do is worship you
