

# Rival Sons, Keep On Swinging

One day my prayers are gonna be answered  
For soo long I been hungry for something else  
Where there?s a will n there?s a way ? cause  
The lord helps those who help themselves

Hey,hey I keep my head down but I keep on swingin  
Hey I keep my head down but I keep on swingin  
Hey I keep my head down but I keep on swingin  
Hey I keep my head down but I keep on swingin

Right now somebody?s counting my money  
So much they cant see the top of the stack  
There?s a will there?s away  
Moneys gonna find my hand one day and  
When it does I ain?t looking back

Hey,hey I keep my head down but I keep on swingin  
Hey I keep my head down but I keep on swingin  
Hey I keep my head down but I keep on swingin  
Hey I keep my head down but I keep on swingin
