## **Rival Sons, Rapture**

I can see those thunderheads, coming from the west. Let my heart dance it's way out of my chest, to sing it's freedom. That's where I long to be, in creation howling with rage. Singing rapture, rapture. Sing it loud, I do believe I'm becoming what I'm meant to be. I can see the orchestra, fell into your eyes. Let your gaze fall, and let the overture rise, to dip you slowly. That's what I long to see, your beauty commanding the stage. Singing rapture, rapture. Sing it loud, I do believe I'm becoming what I'm meant to be. Singing rapture, rapture. Sing it loud, I do believe I'm becoming what I'm meant to be.
