

River City High, One Day

You tell me you don't feel like you remember
You say you look like May but you feel like December
Why don't we make plans for August again
Why do we always change with the weather

(chorus)

Why don't we just stand back and
Why don't we just let go
Why don't we just pretend that one day
We're not that old

Now you can keep track of all the lessons you've learned
And the thing you miss the most is all the time you've burned
Why don't we make plans for August again
Why do we always change with the weather

(Chorus)

You're not too old
It's not too late
But you're not getting any younger
Playing around with fate
Let's find that time we burned
Let's forget those lessons learned
Everything's gotta change
But why can we all change together
You're not too old
It's not too late
But you're not getting any younger
Playing around with fate
(chorus)
