

River City Rebels, No Good

[chorus]

i make mistakes you shit-face
and i'm no good, no good [x4]

things ain't your way that's right i'm glad
everything makes you mad
i'm a fucked up loser and that makes you sad
an anti-product of the lower class
i see through it, i see through you
i hate you, fuck you

[repeat chorus]

i'm a no good you're a no good [x2]
i'm a no good!

[repeat chorus]
