

# River City Rebels, On The Train

my nerves were pumping  
man i really didn't know what to expect  
i had my boots on and my braces all in check

[Chorus]  
playing to live and living play [4x]

i was only 13 heading into town that day  
i felt a part of all the rockers in the train  
so i told Andy T. and he told me i was wrong  
it ain't the fashion but the passion that makes you strong

[Repeat chorus]
