

River City Rebels, US Crush

got a crush, got a crush got a crush
capitalize and a us flag
think they made a buck?
struck it rich on the red, white and blue
ocnsumers oh how they buy
money from death marketing luck

[Chorus]
got a us got a us got a us
got a u s of a crush

fuck your us pride
you were born into it
jimmy the child molester down the block
has got the same fucking pride

[Chorus]
