Rivermaya, Wild Angel Candy

Spare me words of wisdom it won't change the truth There's a hole in your head and The devil's in your shoes

Thursday gave me freedom from the psycho-saving art Monday showed you someone could tear your pride apart

I don't need no Wild angel candy Wild angel candy, can't take (it/you) no more

Save your words of wisdom it don't change the truth There's a whore in your bed and your pride don't fit in your boots

Thursday gave me freedom from my baby-sitting part Monday showed you someone could tear your soul apart
