

# Riverside, We Got Used To Us

When I scroll back through our recent days  
I try to understand  
How we could forget  
We made a promise to one another  
That nothing would ever break what we had  
Now we never talk when we fall apart  
We never talk when we fall apart  
We pretend we're ok  
Surrounding ourselves with one-way friendships  
And so-called friends

I know we got used to new us  
And I don't want to be there  
I don't want to be there  
Where we are  
I know we got used to new life  
And I don't want to be there  
No, I don't want to be there  
Where we are

Silence fallen between  
All the doors are locked  
All the words unsaid  
And we're still afraid of time  
Started to keep ourselves  
At a distance that we could control  
Not too close  
Not too far  
Now we never talk when we fall apart  
We just never talk when we fall apart  
We pretend we're ok  
By filling up our inner space  
With little hates  
And so-called love

I know we got used to new us  
And I don't want to be there  
I don't want to be there  
Where we are  
I know we got used to new life  
And I don't want to be there  
No, I don't want to be there  
Where we are

So walk away with me
