Rizzle Kicks, Traveller's Chant

Last week, I was passenger on a car seat

Thinking of decision that I made within a heart beat!

She used to make my heartbeat but usually alarms me my lungs are over Working and I [cant breathe]

Yes I convinced myself I don't like relationship malarkey,

And she's says wait, you didn't ask me... [How I felt!]

I said I love that your a [nice girl], and I'm sorry

But this really Wasn't time well,

And it kinda feels like it may be a blur,

Maybe coffee and telly is what I mainly prefer,

Feel I gotta scratch the surface gotta break it to learn,

And now I multiply the times in which the tables have turned!

I call this the traveller's Chant!

Whether you sitting on a train or in the back of a car,

Thinking, Maybe it's me, Yes I do have places to be;

And I'll be there,

Do I start at the end or do I end at the start,

And in this little bit of time will I get very far?

Maybe it's me? Yes I do have places to be!

And I'll be there!

Yes, yeah the other day I was sitting on the train but in another place,

I was on my way home, or maybe some would say,

I was thinking bout the days I wanna run away,

I've only really gotta couple mates, Me, myself and I, How CLICHE,

Looking out the window, feels like I'm in a film,

Director producer and as it happens I'm the main [character],

Yeah my own little feature, length sound track being

What ever's in my speakers [Then],

I'd rather not be held accountable I bank on peoples feelings

It's no wonder why I'm feeling spent, yeah and in a deeper sense,

Sometimes I need the rain it helps me kinda clean my head,

The suns an easy friend, I'm thinking maybe the duration of my journey

Helped me reconnect my feelings then!

I call this the traveller's Chant!

Whether you sitting on a train or in the back of a car,

Thinking, Maybe it's me, Yes I do have places to be;

Do I start at the end or do I end at the start,

In this little bit of time will I get very far?

Maybe it's me? Yes I do have places to be!

And I'll be there!

Oh yeah... Yeah, I'll be there, I got places to be and yes! [I'll be

There!] Yeah, Uh, Yeah, I'll be there... Said I'll be there, [And I'll be There!]

I call this the traveller's Chant!

Whether you sitting on a train or in the back of a car,

Thinking, Maybe it's me, Yes I do have places to be;

Do I start at the end or do I end at the start,

In this little bit of time will I get very far?

Maybe it's me? Yes I do have places to be!

And I'll be there!

I call this the traveller's Chant!

Whether you sitting on a train or in the back of a car,

Thinking, Maybe it's me, Yes I do have places to be;

Do I start at the end or do I end at the start,

In this little bit of time will I get very far?

Maybe it's me? Yes I do have places to be!

And I'll be there!
