

# Roadrunner United, Army Of The Sun

I was electrified by your eyes as they froze  
Inviting me inside of your life to grow

Everlasting setting sun  
You're my angel, you're the only one  
No one close and nothing compares in the end  
We will be together again

I'm so mesmerized by the light you expose  
Igniting a fire deep inside of my soul

Everlasting setting sun  
You're my angel, you're the only one  
No one close and nothing compares in the end  
We will be together again

Darkness shall fall with the strength of us all  
Darkness shall fall  
Darkness shall fall with the strength of us all  
It shall fall

I raise my white flag  
It's the last flag I'll ever raise  
Don't stay away  
Staring at you and all you are  
I believe  
Yeah I believe  
Yeah I believe

(So much sadness, what happened to happiness...)  
Everlasting setting sun  
You're my angel, you're the only one  
No one close and nothing compares in the end  
You're my angel, you're the only one

We will be together again  
We will be together again
