

Rob Pattinson, I'll be your lover too

I'll be your man
I'll understand
I'll do my best
To take good care of you
You'll be my queen
I'll be your king
And I'll be your lover too
Yeah yeah
Yes I will
Derry down green
Color of my dream
A dream that's daily coming true.
And ohhh when the day is through
I will come to you and take you on
Your many charms
And you'll look at me
With eyes that see
And we'll melt into each others arms
You'll be my queen
And I'll be your king
And I'll be your lover too
