Rob Pattinson, Never Think

I should never think What's in your heart What's in our home So I won't

You'll learn to hate me But still call me baby Oh love So call me by my name

And save your soul Save your soul Before you're too far gone Before nothing can be done

I'll try to decide when
She'll lie in the end
I ain't got no fight in me
In this whole damn world
Tell you to hold off
You choose to hold on
It's the one thing that I've known

Once I put my coat on I'm coming out in this all wrong She's standing outside holding me Saying oh please I'm in love I'm in love

Girl save your soul
Go on save your soul
Before it's too far gone
And before nothing can be done

'Cause without me
You got it all
So hold on
Without me you got it all
So hold on
Without me you got it all
Without me you got it all
So hold on
Without me you got it all
So hold on
Without me you got it all
So hold on
Without me you got it all
So hold on
Hold on
