

# Rob Rock, Move On

I've traveled every country, I've traveled in my mind  
It seems we're on a journey, a trip through space and time  
And somewhere lies the answer to all the questions why  
What really makes the difference between all dead and  
Living things the will to stay alive

Like a roller in the ocean, life is motion - Move On  
Like a wind that's always blowing, life is flowing - Move On  
Like the sunrise in the morning, life is dawning - Move On  
How I treasure every minute, being part of, being in it,  
With the urge to move on

They say a restless body can hide a peaceful soul  
A voyager and settler they both have distant goals  
If I explore the heavens or if I search inside  
It really doesn't matter as long as I can tell myself  
That I have always tried

Like a roller in the ocean, life is motion - Move On  
Like a wind that's always blowing, life is flowing - Move On  
Like the sunrise in the morning, life is dawning - Move On  
How I treasure every minute, being part of, being in it,  
With the urge to move on

The morning breeze that ripples the surface of the sea  
The crying of the eagles that hover over me  
I see it and I hear it but how can I explain  
The wonder of the moment to be alive and feel the sun  
That follows every rain

Like a roller in the ocean, life is motion - Move On  
Like a wind that's always blowing, life is flowing - Move On  
Like the sunrise in the morning, life is dawning - Move On  
How I treasure every minute, being part of, being in it,  
With the urge to move on

Move On - Move On,  
Like a wind that's always blowing,  
Life is flowing - Move on
