

Rob Thomas, A New York City Christmas

Call on your angels
Come down to the city
Crowd around the big tree
All you strangers who know me
Bring your compassion
Your understanding
Lord, ow we need it
On this New York City Christmas

Yeah I'm sending you a merry New York Christmas
and a prayer for peace on earth within our time
Hear the sidewalk angels echo halleluja
We understand more, now more than ever

So call on your angels
You're beaten and broken
It's time that we mended
So they don't fade with the season
Let our mercy be the gifts we lay
From Brooklyn and to Broadway
Celebrate each and every day
of this New York City Christmas

Yeah I'm sending you a merry New York Christmas
and a prayer for peace on earth within our time
Hear the sidewalk angels echo halleluja
We understand more, now more than ever
Merry New York Christmas

Call on your angels
Come down to the city
Let's Crowd around the big tree
All you strangers you know me
Bring your compassion
Bring your forgiveness
Lord how we need it
On this New York City Christmas

Yeah, I'm sending you a Merry New York Christmas
And a prayer for peace on Earth
It's not too late
Yeah the sidewalk angels echo hallelujah
We understand them
We understand them
Merry Christmas
Yes, a New York City Christmas
(Oh Christmas)
Merry New York Christmas
