## Rob Thomas, Little Wonders

Let it go, Let it roll right off your shoulder Don't you know The hardest part is over Let it in, Let your clarity define you In the end We will only just remember how it feels

Our lives are made In these small hours These little wonders, These twists & amp; turns of fate Time falls away, But these small hours, These small hours still remain

Let it slide, Let your troubles fall behind you Let it shine Until you feel it all around you And I don't mind If it's me you need to turn to We'll get by, It's the heart that really matters in the end

Our lives are made In these small hours These little wonders, These twists & turns of fate Time falls away, But these small hours, These small hours still remain

All of my regret Will wash away some how But I can not forget The way I feel right now

In these small hours These little wonders These twists & amp; turns of fate These twists & amp; turns of fate Time falls away but these small hours These small hours, still remain, Still remain These little wonders These twists & amp; turns of fate Time falls away But these small hours These little wonders still remain
