

# Rob Thomas, Trust You

All my friends say "when you gon' play?"  
I'm always too busy, I don't need to stay up late  
But I change my mind when I see your face  
Cause I trust you  
Now it's on like Revlon, middle of the night  
Gimme just a minute, man, I'm higher than a kite  
And I can't come down, but I know I'll be all right  
Because I trust you

When you say: "Hey, come on,"  
I know I really, really want to  
I trust you  
When I stay, I know I really ought to go  
But then I trust you  
I trust you  
I trust you  
When you say: "Hey, come on"  
I know I will coz I trust you  
I trust you

I like to think that I am reasonable  
But I can't tell you why I'm down on the floor  
I check my hair, but I don't know what it's for  
I know tomorrow that I'll trust you some more

When you say: "Hey, come on,"  
I know I really, really want to  
I trust you  
When I stay, I know I really ought to go  
But then I trust you  
I trust you  
I trust you  
When you say: "Hey, come on"  
I know I will coz I trust you  
I trust you

I keep on making bad decisions cause I  
I keep on drinking what you're giving cause I  
/2x

When you say: "Hey, come on,"  
I know I really, really want to  
I trust you  
When I stay, I know I really ought to go  
But then I trust you  
I trust you  
I trust you  
When you say: "Hey, come on"  
I know I will coz I trust you  
I trust you

(I trust you, man!)
