

# Rob Thomas, When The Heartache Ends

It's never easy and you never know  
What leaves you crying  
And what makes you whole  
There ain't no way that I can hold it down  
Falling to pieces  
Forever in doubt

But it's alright  
Why don't you tell me again  
How you'll still be there  
When the heartache ends  
But it's alright  
Why don't you tell me my friend  
How you'll still be there  
When the heartache ends

There ain't nobody who can show you how  
To find the surface when you're underground  
There ain't no blanket that can hide this cold  
There ain't no memory  
That ever gets old

chorus

And I move all directions  
To the corners and the outskirts  
While the lovers and the lonely  
Start to whisper all about me  
And if I stand here silent  
I almost start to feel you fading in  
Telling me hold on  
Cuz it's gonna be alright

chorus

Say you'll be with me
