

Rob Zombie, Brickhouse 2003

Chorus:

She's a brick----house
Mighty might just lettin' it all hang out
She's a brick----house
The lady's stacked and that's a fact,
ain't holding nothing back.

She's a brick----house
She's the one, the only one,
who's built like a amazon [pronounced am-a-ka-zawn]
We're together everybody knows,
and here's how the story goes.

She knows she got everything
a woman needs to get a man, yeah.
How can she lose with what she use
36-24-36, what a winning hand!

Chorus

The clothes she wears, the sexy ways,
make an old man wish for younger days
She knows she's built and knows how to please
Sure enough to knock a man to his knees

Chorus

Bridge

Shake it down, shake it down now (repeat)
