

# Rob Zombie, Super-Charger Heaven

Jesus lived his life in a cheap hotel  
on the edge of Route 66 yeah He lived a dark and  
twisted life and he came right back just to do it  
again - Eye for and eye and a tooth for the truth -  
I ain't never seen a demon warp deal'n a  
ring-a-ding rhythm or jukebox racket my  
mind can't clutch the feeling - yeah!

DEVILMAN - DEVILMAN - calling DEVILMAN  
running in MY HEAD YEAH  
DEVILMAN - DEVILMAN - calling DEVILMAN  
running in MY HEAD YEAH

Hell hounds lead at the cowardly kings  
And carry souls across the river Styx  
yeah! They see no evil and feel no pain  
Sucking juice from a fallen angel - I dreamed  
I was a super nova fucker nitro-  
Burning and fuel injection - Feed the gods a strychnine  
Soul a motherfucker of invention

DEVILMAN - DEVILMAN - calling DEVILMAN  
running in MY HEAD YEAH  
DEVILMAN - DEVILMAN - calling DEVILMAN  
running in MY HEAD YEAH

Yeah inbreed the witches  
and woship the dogs  
Deformed and fuck'n lazy  
Damn yourself and choke  
On my name I'd love to love ya baby  
Deadringer rats swinging in the trees  
Immaculate conception Bury me an angel God I need  
some inspiration

DEVILMAN - DEVILMAN - calling DEVILMAN  
running in MY HEAD YEAH  
DEVILMAN - DEVILMAN - calling DEVILMAN  
running in MY HEAD YEAH
