

# Robben Ford, Don't Deny Your Love

There's a place I used to go  
Where deep waters flow  
And flowers would bloom after the sun went down

Come the mornin' light  
Everything would be all right  
We made the world new  
With the love we'd found

Now I'm watching you slip away  
Little by little and day by day  
Tell me what did I do  
To make you treat me this way

Refr: Don't deny your love  
When you know what I need  
It hurts me so bad when you  
Turn your back on me

From the start we knew that our love  
Was as good as sent from above  
We created a garden  
And lovin' kept it green

Now you've taken the key  
(You) hold your love away from me  
Tell me what did I do  
To make you treat me so mean

Now I'm watching you slip away  
Little by little and day by day  
Bring back the love  
That made us feel so free

Refr: Don't deny your love  
When you know what I need  
It hurts me so bad when you  
Turn your back on me
