

# Robbie Williams, Eternity

Close your eyes so you don't feel them  
They don't need to see you cry  
I can't promise I will heal you  
But if you want to I will try  
I sing this summer serenade  
The past is done we've been betrayed it's true  
Someone said the truth will out  
I believe without a doubt in you

You were there for summer dreaming  
And you gave me what I need  
And I hope you'll find your freedom  
For eternity, for eternity

Yesterday when you were walking  
We talked about your mum and dad  
What they did that made you happy  
And what they did that made you sad  
We sat and watched the sun go down  
Picked a star before we lost the moon  
Youth is wasted on the young  
Before you know it's come and gone too soon

You were there for summer dreaming  
And you gave me what I need  
And I hope you'll find your freedom  
For eternity, for eternity

I sing this summer serenade  
The past is done we've been betrayed it's true  
Youth is wasted on the young  
Before you know it's come and gone too soon

You were there for summer dreaming  
And you are a friend indeed  
And I hope you'll find your freedom  
For eternity

You were there for summer dreaming  
And you are a friend indeed  
And I know you'll find your freedom  
Eventually
