

# Robbie Williams, I Will Talk And Hollywood Will Listen

I wouldn't be so alone  
if they knew my name in every home  
Kevin Spacey would call on the phone  
But I'd be too busy  
Come back to the old five and dime  
Cameron Diaz give me a sign  
I'd make you smile all the time  
Your conversation would compliment mine

I will talk and Hollywood will listen  
See them bow at my every word  
Mr Spielberg look just what you're missing  
Doesn't that seem a little absurd  
Bow at my every word

Buy up the rights to my book  
Live on a ranch from what the box office took  
I'll go and visit the set  
They'll call me their saviour  
All the peoples will scorn celebrity  
Lives on the moon  
But I'll be back home in June  
To promote the sequel

I will talk and Hollywood will listen  
See them bow at my every word  
Mr. Spielberg look just what you're missing  
Doesn't that seem a little absurd  
Bow at my every word
