

Robbie Williams, Let Me

Lie down
Please don't wake me
Nothing's
Sacred
And no one saved me

In my
Black eye
I can feel her
Moving
Closer
Cant you hear her

Only gift you gave to me
The self fulfilling prophecy
I need to change the sounds that shape my life

And if you die
before I leave
What on earth
Becomes of me
Look around
There's no one here
To love me
And hold me

Take me
Dancing
I love music
Keep on
Singing
We wont lose it
Picture
Me there
Missing no one
If young hearts
Run free
Why cant we go on
Go until they kick us out
We've everything to talk about
I could bring the song into your life

If you should die
Before I leave
What on earth
Becomes of me
Look around
There's no one here
To love me
And hold me

Maybe I've been away too long
I know I'm not always right
But is that wrong
They say there's nothing I cant do
I talk to strangers
And wave to you

If you should die
Before I leave
What on earth
Becomes of me
Look around
There's no one here

To love me
And hold me

And if you die
Before I leave
What on earth
Becomes of me
Look around
There's no one here
To love me
