

Robbie Williams, Please Don't Die

Let me lie down
Please don't wake me
Nothings sacred
And no-one save me

In my black eye
I can feel it
Moving
Closer
Cant you hear it

The only gift you gave to me
Was self-fulfilling prophecy
I need to change the sounds
That shape my life

And if you die before i leave
What on earth becomes of me
Look around theres no-one here
To love me and hold me

Take me
Dancing
I love music
Keep on
Singing
We wont loose it

Picture
Me here
Missing no-one
If your hearts run free
Why can't we go on

Go on to till they kick us out
We've everything to talk about
I could bring a song into your life

If you should die before i leave
What on earth becomes of me
Look around theres no-one here
To love me and hold me

Maybe I've been away too long
I know I'm not always right but is that wrong
They say there's nothing I can do
But talk to strangers and wait for you

If you should die before i leave
What on earth becomes of me
Look around theres no-one here
To love me and hold me

And if you die before i leave
What on earth becomes of me
Look around theres no-one here
To love me and hold me
Ooh ooh ooh!
