## Robbie Williams, Road To Mandalay

Save me from drowning in the sea Beat me up on the beach What a lovely holiday Theres nothing funny left to say

This sombre song would drain the sun But it won't shine until its sung

No water running in the stream The saddest place we've ever seen

Everything I touched was golden Everything I loved got broken On the Road to Mandalay Every mistake I've ever made Has been rehashed and then replayed As I got lost along the way

## (Refrain)

There's nothing left for you to give The truth is all that you've left with Twenty paces then at dawn We will die and be reborn

I like to sleep beneath the trees Have the universe at one with me Look down the barrel of a gun And feel the Moon replace the Sun

Everything we've ever stolen
Has been lost returned or broken
No more dragons left to slay
Every mistake I've ever made
Has been rehashed and then replayed
As I got lost along the way

## (Refrain)

Save me from drowning in the sea Beat me up on the beach What a lovely holiday Theres nothing funny left to say
