

# Robbie Williams, Sexed Up (Acoustic Version)

Loose lips sunk ships  
I'm getting to grips  
With what you've said  
No it's not in my head  
I'll lay on bed  
But I'm OK  
Why don't we talk about it ?  
Why do you always doubt that there could be a better way?  
It doesn't make me wanna stay

(Chorus)  
Why don't we break up ?  
There's nothing left to say  
I've got my eyes shut, praying they won't stray  
and we're not sexed up  
That's what makes the difference today  
I hope you blow away

You say we're fatally flawed  
Well I'm easily bored, Is that okay?  
Strike me off your list  
Make this the last kiss  
I'll walk away

Why don't we talk about it?  
I'm only here  
Don't shout it  
Given time we'll forget  
Let's pretend we never met

(Chorus)

Screw you, I didn't like your taste  
Anyway, I chose you  
and that's all gone to waste  
It's Saturday, I'll go out and find another you

Chorus:

Why don't we  
Why don't we break up  
There's nothing left to say  
I've got my eyes shut  
Praying they won't stray  
And we're not sexed up  
That's what makes the difference today
