Robert Burns, Raving Winds

Raving Winds (Robert Burns) Raving winds around her blowing, Yellow leaves the woodlands strowing, By a river hoarsely roaring, Isabella stray'd deploring-'Farewell hours that late did measure Sunshine days of joy and pleasure! Hail, thou gloomy night of sorrow-Cheerless night that knows no morrow! O'er the Past too fondly wandering, On the hopeless Future pondering,-Chilly Grief my life-blood freezes, Fell Despair my fancy seizes. Life, thou soul of every blessing, Load to Misery most distressing, Gladly how would I resign thee, And to dark Oblivion join thee!' tune: McGrigor of Roro's Lament (207) filename[RAVEWIND play.exe RAVEWIND ARB ===DOCUMENT BOUNDARY===
